

## SPECIFIC POLICIES

**Membership:** Membership to the club is permitted in accordance with behaviour requirements outlined in the 'Rules of the Tauranga Model Railway Club (Inc.)' and the 'Guidelines for Appropriate Behaviour' posted on the notice board. Membership is a privilege not a right.

**Privacy:** Publication of contact details: In line with New Zealand privacy laws, an 'opt in' requirement is needed by members in order to allow their contact details to be relayed to other members.

**Young Persons:** A young person is anyone up to 14 years of age. Membership forms for young persons must be countersigned by their parent or guardian before membership can be accepted. In order to protect all interested parties, young persons present at the Clubrooms or on a Club organised activity (e.g. Layout Tour, Show) must be in the presence of a parent or guardian.

**Life membership:** Life membership is a recognition of service to the Club. In addition to the recognition of services rendered the 'Fees Schedule' allows for a NIL payment. However, in order to continue to be recognised as a voting member of the Club a signed annual renewal form must still be returned to the Club. This confirms your continuing membership.

This form performs the function of subscription for 2022 to the Tauranga Model Railway Club (Inc) (the 'Club') and enables us to keep our records current.
